

House the Homeless for Mother's Sake

This Mother's Day, honor a mother by helping homeless families in our community obtain and sustain safe, decent, and affordable housing. A donation in honor or in memory of your mother or a mother you know will help those who are working so hard to make a stable home for their families.

In our last fiscal year, Community Link was able to house 211 formerly homeless families, and as a result of our efforts, 313 children left the streets and homeless shelters to live in a stable home with their families. You can help provide a stable life and home for a vulnerable family this Mother's Day.

Mother's Day is May 9th. Make your donations by May 1st and we'll send acknowledgement to the honored mother in time for Mother's Day. Let a mother know she is loved with a gift that will honor her and provide stability, security, and an affordable home for hardworking homeless families.

Please [donate online](#) and provide us the name and address of the mother (or mothers) you are honoring in the space allocated for acknowledgements. Also, write a note to the honored mother in the section for comments and we will send your note along with the acknowledgement of your gift to the honoree.

If you have any questions, please contact Josh Bryan at 704-943-9506 or at jbryan@communitylink-nc.org.

Thank you for your consideration and support!
